29.95 EUR
incl. 19% VAT, plus shipping

- **Basic Cradle Cable**
- **Camera Hub Connection**
- **Charging Support**
- **HH420 / HH421 Compatible**

The CAB-HUB-BASIC is a basic cradle cable for use with the Topicon HH420 and HH421 camera hubs. It supports charging and connection of a basic cradle to the camera-hub system.

It is suited to simple video and docking integrations where the camera hub is part of the system.

Compatible with: Topicon MDT880, Topicon MDT865, Topicon MDT1065, Topicon MDT1080
