- USB!
- Slim design!

A compact design, high-performance and unsurpassed quality - these are the features that this sheetfed scanner, the OpticSlim M12, has to offer.

The OpticSlim M12 is capable of scanning A4-size document and is power cord free, using a USB interface for power and communication with the computer.

The OpticSlim M12 is the perfect companion for the mobile executive. It is so compact that fits neatly on a desktop and can be easily packed in a briefcase, or alongside a laptop.
